## Description

### **Apple AirPods Pro (2nd Generation) - The Next Level of Sound.**

The AirPods Pro 2 are Apple's most advanced earphones to date. The enhanced Active Noise Cancellation effectively blocks out the outside world, while Adaptive Transparency mode allows you to naturally hear your surroundings. Personalized spatial audio and dynamic head tracking provide a cinematic experience. With the new USB-C MagSafe case and four different sizes of silicone ear tips, comfort and practicality are guaranteed. They are the perfect choice for those who do not compromise on sound quality.
